

NCONFIA-2022

8th Alumni Meet & National Conference

Organic & Natural Farming
in Context to Indian Agriculture

April 16-17, 2022

Venue

C.S.Azad University of Agriculture & Technolgy, Kanpur

Organized by

Alumni Association

Chandra Shekhar Azad University of Agriculture & Technology,
Kanpur (U.P.) 208 002 India

ABOUT THE CONFERENCE

Organic and Natural farmings are viable options to reduce the use of pesticides, chemicals and major environmental issues. It ensures soil health, water, air, flora and fauna and also helps in reducing the major environmental concern like soil erosion, air pollution, water pollution and forest degradation etc. Organic farming has several advantages over the conventional viz., protection of environment, human health, improved soil health, water quality, prevention of soil erosion, generation of rural employment, effective agri-waste management etc. Natural and Organic farming are the effective approaches which is thought of as the best alternative to avoid the ill effects of chemical farming and ideal solution for reducing all hazards and proved to be an emerging agro-friendly practices. National Conference on "*Organic & Natural Farming in Context to Indian Agriculture*" is being organized from **16-17 April, 2022**. The event will be jointly organized by Alumni Association and Chandra Shekhar Azad Krishi Evam Prodyogic Vishwavidayla, Kanpur. We solicited input from leading experts in different dimensions of agriculture, representing the perspectives of the natural and social sciences, policy and academia, public and private Sector.

THEMES

- Organic and natural farming:
 - i) Human, soil and environments health issues and future prospects
 - ii) Plant protection management
 - iii) Social issues and economic perspectives
 - iv) Diversification of crops
 - v) Precision tools for smart management of natural resources
- Climate smart agriculture
- Crop improvement
- Community science in perspectives of Organic and Natural Farming
- Mal nutrition and mitigation strategies.
- Eco-friendly farm mechanization
- Inputs management for sustainable agriculture
- Post harvest management and value addition
- AI, IOT, Remote sensing and digitalization in organic and natural farming
- Livestock management
- Supply chain management

CALL FOR PAPERS/ABSTRACTS

ABOUT ALUMNI ASSOCIATION

CSA established along with first five Agriculture Colleges in the country in the year 1906, popularly known as the "*Patthar College*" Kanpur, was elevated to Chandra Shekhar Azad University of Agriculture and Technology, Kanpur on March 01, 1975. The university is an important Agricultural University of India and has made substantial contributions in quality human resource development and technology development through its endeavors in Education, Research and Extension. This University has the rare distinction of providing as many as 23 Vice Chancellors of different Universities from amongst its alumni. Our alumni have made their mark by their sound knowledge and diligence where ever they are employed and have upheld the glory of their *Alma Mater* across the globe. The Alumni Association of C. S. Azad University of Agriculture and Technology, Kanpur was constituted on September 6, 2006 with its registration No. K-37915/472/2007-08 under Societies Reg. Act. 1860. It is a vibrant and dynamic body of its high profile members contributing to make this university best in agricultural education, research and technology dissemination. The main focus of this association is to energize, sensitize and catalyse all its members to actualize their potential in order to achieve the aims and objectives i.e. all round development of C.S.A. University and fraternity among its Hon'ble members. The Association has the credit to successfully organized seven Alumni Meet, AGM and four National Symposium/Seminars.
